

CEO Weekly Brief – 9/13/2018

Dr. James Malm

Welcome Back!

Today we began Development Week with our all-campus Convocation. It was my honor to deliver the State of the Branch address to start off our fall 2018 semester. I could feel the energy in the air as we welcomed back many of our faculty from summers full of travel, research and professional development.

It was also great having the opportunity to visit and catch up with so many of our faculty and staff at the luncheon. Thanks to our new food vendor, SFE, for the wonderful burgers.

We have other events planned for this week including “Sack Lunch Superstars” and faculty division meetings. Please see the [Schedule of Events](#) for the remainder of the week.

Welcome back and I wish everyone a wonderful and productive semester!
